Village of Fort Sumner requires a refundable security deposit of \$100.00 from all customers for each account prior to rendering service. The deposit is to secure payment for services supplied by Village Water and Sewer between meter reading periods and date of payment of bills as rendered. This deposit shall not preclude Village Water and Sewer from discontinuing service for non-payment, regardless of the fact the deposit is equal to or greater than the amount of the unpaid bill.

All bills are to be assumed and to be due on the tenth of the month of billing and are overdue and subject to a penalty assessment as approved by the Village Council. Overdue bills are subject to disconnect and/or collection. Upon discontinuance of service and payment of all amounts owed Village Water and Sewer.

Only Village employees shall access water meters. Ordinance number 345 prohibits any person, firm or corporation for tampering with any water meter, meter box, meter lid, meter connection or any part of the meter connection. A fine of \$250 shall be imposed against persons tampering with Village water meters, meter box, meter lid, meter connection or any part of the meter connection.

The applicant(s) will comply with and be bound by the rules and regulations of Village Water and Sewer. Such rules and regulations set by The Village Council may be adopted and updated from time to time.

In the event the Applicant shall fail to meet the above described requirements, or otherwise default under this agreement, Village Water and Sewer shall have full rights to demand immediate payment of all sums due. The full balance shall become due on default with the applicant paying all reasonable attorney's fees and costs of collection.

I hereby certify that the information provided is accurate and complete to the best of my knowledge. Deposit of \$100.00 is required in full at the time of application.
